Something to please everybody at Cherraw July 7th. Horse races, base ball and other attractions. Suit your taste.

Mrs. W. S. L. and Mrs. C. S. Brown, of the Grand Chapter of the W. O. T. at Sumter this week, are from the Dillon chapter.

Is a candidate for a mayor at Mullins, S. C. Lee Platt was defeated by a vote of only four majority. A vote of interest was made in the election by the friends of the parties.

Mr. Ernest King left last week for Oklahoma where it is expected he will remain permanently. He is a young man, Oklahoma, and offers fine opportunities for young men with thrift and energy.

Mr. and Mrs. S. W. Jackson have issued invitations to the marriage of their daughter, Miss Eula Lee, to Mr. Jno. Franklin DeWitt, of Tampa, Fla. The happy event will take place at the bride's home on First avenue on July 4, at 5 p. m. Mr. and Mrs. DeWitt will be at home to their friends in Tampa after July 15th.

Hon. T. I. Rogers has withdrawn from the race for congress. Mr. Rogers gives as his reason for withdrawing the fact that a campaign is too expensive and that if he were elected he would have to sacrifice his law practice to properly attend to his duties in Washington. This leaves Messrs. Elber, Browne, Sellers and Hodges in the race.

A trip through the Little Rock section shows that crops in that community have fared badly from the recent rains. In many places cotton has been drowned and in others deep gulleys have washed across the fields. It seems that the rains in that section were heavier than in any other part of the county. About half of the oat crop was lost.

Beginning Sept. 1st. The Herald will inaugurate a voting contest and a \$400.00 prize will be given to the person receiving the highest number of votes and a \$75.00 prize will be given to the person receiving the next highest number. The contest will extend over a period of three months and a competent person who has wide experience in this particular line of work has been employed to conduct the campaign. It is the purpose of The Herald to make this one of the most interesting contests in the history of Dillon and it will pay you to keep on the lookout for the conditions, which will be announced later.

Sandy McKay, a colored tenant on Mr. H. McKee's plantation, brought to The Herald office Saturday four well-developed stalks of cotton, averaging two feet in length. Each stalk was well loaded with bolls and if they had remained in the field two days longer the blossoms would have been fully developed. The stalks were taken from a 10 acre field and are a fair average of the other stalks. Sandy said the heavy rains had prevented him from working the cotton, but even with the adverse seasons he expected to make a bale to the acre. He used 700 pounds of fertilizer and will give the cotton an application of soda at the proper time.

On his plantation above Little Rock Mr. L. C. Braddy has an acre of corn that promises to make the corn contest interesting to many Dillon county farmers. It is Mr. Braddy's prize acre and he has spared neither time or expense in the effort to make it the winner in the contest between the several farmers of this community. Mr. Braddy places the minimum yield at 150 bushels, but if the seasons are favorable the indications are that he will make 200. But a yield of 200 bushels would not be so remarkable after all when it is recalled that the cultivation of the acre is under the supervision of both Mr. Braddy and Mr. Walter Stanton, two of the best farmers in the county.

Several weeks ago it was stated in The Herald that Dillonites witnessed the novel sight of a young bridal couple tramping through town that shortly after the young couple married the husband was thrown out of employment and several Dillon gentlemen made up a purse and gave it to them to pay their way to Norfolk. A traveling man who saw the article said the husband's story was absolutely without foundation. The man stole \$30. from his employer in Sumter and ran away, carrying the girl with him and that she was not his wife. He was an alleged husband was a man by trade and not a paper husband and that he had been working at Sumter about a year. The couple bought tickets from Dillon for Norfolk.

Richard P. Davis, who killed Sidney D. Davis, son of Evans Pharms, was taken to the Florence jail Friday afternoon by Sheriff L. E. Davis. The reason for transferring Mr. Davis to the Florence jail is that Dillon county has no jail and Mr. Davis was given the preference of the Marion or Florence jails. The trial will be held at the September term of court and the defence has retained Livingston & Gibson and N. B. Hargrove, of the Dillon Bar; Robt. Scarborough, of Conway; J. W. Ragsdale, of Florence; and Nell Arch McLean, of Lumberton. Mr. J. W. Johnson, of Marion, and P. H. Nelson, of Columbia, will assist Solicitor Spears in the prosecution. Application will be made for bail as soon as the necessary arrangements are made. Rev. J. A. Hursey, father of Mr. S. D. Hursey, returned from Baltimore Thursday in response to a telegram inviting him of the tragedy. Mr. Hursey had only a few days previous undergone an operation.

I beg to announce my candidacy for the office of Governor, subject to the decision of the Democratic voters of the State.

Campaign promises are easily made. My purpose is, if elected, to give the people a plain, honest and business-like administration. Of course I shall advocate good roads, good schools and good government, my attitude as to the same being well known to the public for many years.

I consistently advocated prohibition and was among the first to give money and lend influence to push that movement more than twenty years ago.

As a business man my chief aim, if elected, will be to conduct a State Government along business lines.
